Referring to your office letter "Education 62493-1904" dated September 14th, enclosing a communication from Paul Segui, a student of this school, to your office applying for a position in the Indian Service, I have the honor to state that he is a native of the island of Porto Rico. I presume, therefore, that he would be required to take the same competitive Civil Service Examination as is required of all persons desiring to enter the Service.

To The Hon. Commr of Indian
affairs W. A. Jones,
Washington D.C.

Dear Sir:-

Allow me to take the
liberty of addressing you.

I am about to end my term
at the Carlisle Indian School
and my desire is to work in
the service for the Govern-
ment. I am a printer by
trade and have done the work
of Foreman in this Printing
office, while the regular Fore-
man was away. I would
like to work at any place you
should decide. I am in the

sophomore year.

I beg of you to give me
a start in life, and I will
do all there is in me to
make my charge a success
I hope to hear from you
soon on this matter. I am,

Very Respectfully
Paul Segui
