A.C. Tonner
Acting Commissioner
Interior Department, Washington, D. C.

Sir:

Yours in regard to the application of Walter P Beers, for Indian boys as waiters for his Resort next Summer, received, bearing date 11/15/4.

Mr Gansworth, the visiting agent for the outing is absent. When he returns the matter will come up for decision. This delay is necessary as the hotel and its surroundings will have to be looked into.

Very respectfully,

W.A. Mercer
Captain 7th. Cavalry
Superintendent.

Honorable Commissioner Jones,
Indian Department,
Washington D. C.

My Dear Commissioner:

The enclosed letter was sent to me which explains itself. If you can do anything in this matter for Mr. Beers, or whether anything can be done is beyond me.

All I can say is that Mr. Beers has a very beautiful place and runs a first-class hotel and has a very nice clientage. Should you do anything in this matter I would be pleased to hear from you.

Sometime ago the acting Commissioner Tonner wrote me a letter asking me to give my ideas for making the bidding more intelligent. I answered him but up to this writing I have no communication whether he received the same.

Trusting the Election suited you, believe me, with kind regards

Sincerely yours,

Fred W. Kohler.

Dear Mr Kolder,

I am very anxious to get some Indian boys from Carlisle school Penn as waiters and other help in my hotel next summer, I can use about 25 to 30 in different positions and I am sure it would be a good place for them. I have as you know a good class of family trade and I have a

longer season than the ocean
hotels. If you can do any
thing for me to help me to
get these boys I would appre-
ciate it. I would go out to
Castile some time in December
to make arrangements about it

Yours very truly

Walter P. Beers.

PINE BLUFF INN, POINT PLEASANT, OCEAN COUNTY, N. J.

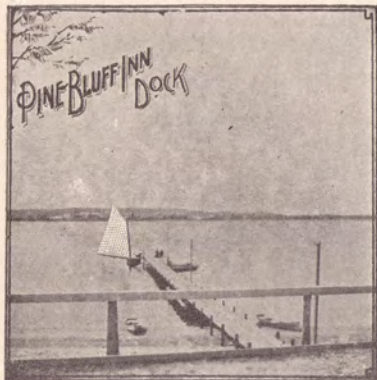

Pine Bluff Inn and Cottages are situated in a beautiful pine grove on the south side of the Manasquan River, at Point Pleasant, Ocean County, N. J., on a bluff 25 feet above the beach.

The house has its own sewage system with perfect sanitary plumbing. Deep artesian well-water. The soil being dry and sandy, malaria and kindred complaints caused by dampness, are unknown.

The entire hotel has been renovated, and offers all the conveniences of a modern hostelry. The rooms are large, airy and well ventilated, with ample closet and trunk rooms.

From the piazzas which are 200 feet long and 12 feet wide, the view up and down the river is unexcelled, being unobstructed from the Ocean to the upper Manasquan bridge, a distance of six miles.

The cuisine is under the charge of an experienced chef, and the table will be supplied with the best the markets afford, sea food caught in the vicinity a special feature. The dining room service will be the best.

First-class music will be provided; concerts and hops will be arranged during the season. Special provision has been made for young men, and special inducements will be made to them to spend their vacations here. The distance from New York being only 60 miles, and the train service good, they can have an early breakfast and get to business in good time Monday a. m.

Good roads for driving, wheeling and automobiling. The new road lately finished to Lakewood and Allaire provides a fine trip. Golf grounds within 100 yards of the Inn. Surf bathing only 10 minutes away. Special stage accommodations to the Ocean, fare 5 cts., twice a day. Still salt-water bathing on our own beach, and boating with water sports at all times.

INN opens May 27th. Applications may be made at any time for accommodations.

WALTER P. BEERS,
Manager for The Pine Bluff Inn and Cottage Co.

How to Reach Point Pleasant

Two hours from New York by the Penna. Railroad from the foot of West 23rd, Desbrosses and Cortlandt Sts., or by the New Jersey Central from the foot of Liberty and Whitehall Sts., late and frequent trains both week days and Sundays.

The Sandy Hook boats connect with trains for Point Pleasant at Atlantic Highlands, and the Long Branch boats at Long Branch.

Any one desiring a day's run over perfect and level roads along the ocean side cannot do better than take either the Sandy Hook or Long Branch boats from New York and Wheel from Atlantic Highlands or Long Branch to Point Pleasant. There is not a more attractive route in the vicinity of New York. From the Atlantic Highlands the run is 30 miles. From Long Branch 19 miles. Two Hours from Philadelphia by the Pennsylvania Railroad via Monmouth Junction.
