Sir

I am desirous to know if there is a chance to get my two sons in the Indian Industrial School at Carlisle Pennsylvania. I am a member of the Delaware Tribe of Indians and a citizen of the Cherokee Nation Ind. Terr. and want to give to my sons the best advantages for an education, but am not able financially to educate them, and I wish to know if one of this Nation would be allowed to send to that school.

Kindly advise and
Oblige

Very Respectfully
