February 16, 1905.

To the Honorable,

The Commissioner of Indian Affairs.

Sir:

Replying to Office letter (Education) dated the 14th instant relative to the permanent appointment of Rosa La Forge as an assistant matron, I have to state that reply was made to your letter of the 1st instant under date of the 11th instant, in which I stated that it was not proposed to have Rosa become eligible for permanent appointment at this school, but that she was desirous of securing a position as assistant matron in the Indian school service and would, in my opinion, fill such a position satisfactorily, especially at a smaller school. I stated that she was capable and conscientious and was anxious to secure an appointment at the earliest practicable date.

Very respectfully,

W. A. Mercer
Captain 7th Cavalry,

Superintendent.
