OFFICE OF SUPERINTENDENT.

CARLISLE, PA.

*J.R.W.*  
February 18, 1905.

The Honorable,

The Commissioner of Indian Affairs.

Sir:

Referring to your office letter (Education) of recent date, addressed to Miss Rosa La Forge through me, telling her that it would be necessary for her to pass the required non-competitive examination before she could be appointed as an assistant matron in the Indian school service, I have to state that said letter was turned over to her promptly.

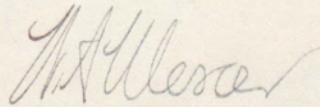

I now inclose a letter from her dated the 16th instant, addressed to the Civil Service Commission through me, stating her nativity and giving her qualifications for appointment to the position which she seeks, and requesting that the necessary application blanks to enable her to take the non-competitive examination be sent to her.

It is respectfully requested that her said application be forwarded to the Civil Service Commission, accompanied by such statement as you may see fit to make in her behalf and as will serve to secure for her the required examination and appointment if she qualifies. Miss La Forge is a deserving young lady, well qualified for the duties of an assistant matron and I trust that

she may be given an appointment at an early date.

Very respectfully,
