To the Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

It is my painful duty to report the death, at 1:30 this morning, of Lucy Spalding, a pupil from Alaska at this school--the second death among the pupils that has occurred at the school since my incumbency as superintendent. Lucy has been in the hospital here suffering with tuberculosis since last November.

Very respectfully,

Captain 7th Cavalry,

Superintendent.
