Accurate data concerning the location, post-office and
Agents and Indian Superintendents:

Refer in reply to the following:

Education

Circular No. 120.

Department of the Interior,

OFFICE OF INDIAN AFFAIRS,

WASHINGTON.

April 11, 1905.

To Agents and Bonded Superintendents:

Accurate data concerning the location, post-office and telegraphic addresses, nearest railroad station and usual route thence to all agencies and schools are desired immediately on receipt of this circular. To facilitate your work the printed slip heretofore made out for your agencies is appended and you will mark thereon any corrections, adding similar data for all new schools established. If two or more routes are given, place the shortest and best first. If necessary to explain or elaborate, use a separate sheet.

Very respectfully,

C. J. Lannabee
Acting Commissioner.
