UNITED STATES INDIAN SERVICE
INDIAN INDUSTRIAL SCHOOL
CARLISLE, PENNA.

J.R.W.
July 3, 1905.

To the Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

The work of building, repairing, alterations, etc., to be done at this school during the vacation months in addition to the regular work in all the industrial departments renders it necessary to keep several hundred boys and girls here for all day work who would otherwise earn fair wages in the country under the outing system. I therefore have the honor to request authority to pay for student labor at rates varying from 5 cents to 75 cents per day, the sum of \$3,000.00.

Very respectfully,

W.A. Mercer
Captain 7th Cavalry,

Superintendent.
