To the Honorable,  
The Commissioner of Indian Affairs,  
Washington, D.C.

Sir:

As I informed you in my letter of May 29, 1905, I desire to appoint Mr. John F. MacKey to the vacancy now existing in the position of boys' field agent, and I have been holding this position, hoping daily that you could arrange for him to be relieved at Omaha Agency and that he would report for duty. A letter received from him today states that your office thinks it will be necessary for him to remain there for sometime yet. I only wish to say that his services are very much needed here and I shall appreciate it very much if you will have him relieved there at the earliest possible date in order that he may report here.

In this connection I wish to say that the resignation of my clerk, Mr. Beitzel, to take effect August 26th, leads me to the consideration of Mr. MacKey for that position, and after his arrival here and I have had a conversation with him on the subject I shall probably desire his appointment to that position.

Very respectfully,

*W. A. Mercer*  
Major 11th Cavalry,  
Superintendent.
