INDIAN INDUSTRIAL SCHOOL
CARLISLE, PENNA.

J.R.W.
Oct. 31, 1905.

To the Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

John Archuleta, one of our students of the Pueblo tribe, aged about 24 years, is reasonably proficient as a harness and shoe maker and as such I think would prove acceptable as an instructor in one of the smaller Indian schools. He is anxious to secure an appointment and I have to recommend that if any vacancy occurs his name be given consideration for the place. I feel confident that he would prove satisfactory as an instructor in either or both of the trades mentioned.

Very respectfully,

W. A. Mercer
Major 11th Cavalry,

Superintendent.
