Nov. 28, 1905.

To the Honorable,

The Commissioner of Indian Affairs,

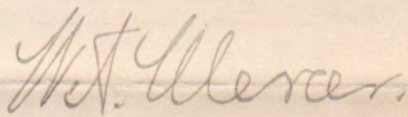

Washington, D. C.

Sir:

Replying to your Office letter "Education 75665" of November 27th, I have to say that from your statement of Mr. Stutts's qualifications for the position of farmer I am satisfied to have him appointed and can furnish quarters for wife and one child.

In this connection I have to say that in the case of farmer's family there is no question about room, but we find that a man with a large family would not be as efficient as one without such responsibilities.

Very respectfully,

Major 11th Cavalry,

Superintendent.
