Feb. 12, 1906.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I have the honor to forward herewith application of Juliette Smith for the position of baker at the Wittenberg, Wis., Indian School, and recommend that she be given the position for which she applies, if practicable to do so. She has had two years' experience as a student assistant to the matron in the girls' dormitory, the most of this time in charge of the clothing room. She is an industrious, efficient girl for whom I desire to find a position upon her graduation next month. As the position of baker appears to be open I should very much like to see her have this appointment to take effect immediately after graduation which will be the 22d of March. It is her intention to take an examination as matron and she has been perfecting herself along that line, and in my opinion would make a very good one. She is a good hard-working girl and worthy of any consideration that your Office can show her.

Very respectfully,

Major 11th Cavalry,

Superintendent.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I have been informed that the position of baker at the Wittenberg, Wisconsin, Indian School is vacant and I desire to make application for the same. I have been a student at this school for six years and will graduate next month. I have considerable experience in baking under the outing system of this school and believe I could fill the position satisfactorily. My home is at Oneida, Wisconsin, and I would like to secure the above position as it is not far from my home.

Very respectfully,

Juliette Smith

Through the Superintendent,
Carlisle Indian School.
