CARLISLE, PENNA.

Feb. 14, 1906.

The Honorable,  
The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Replying to your letter "Education" of February 12th, in which you direct that I inform your office whether I have any recommendation to make for filling the vacancy in the position of tinner at this school at \$660 per annum, I have to say that I recommend that the appointment be made of a plumber who understands roofing or of a tinner who understands plumbing. Such a man would be doubly useful to us.

Very respectfully,

Major 11th Cavalry,

Superintendent.
