INDIAN INDUSTRIAL SCHOOL
CARLISLE, PENNA.

April 7, 1906.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I inclose herewith application of Adaline E. Kingsley, one of Carlisle's graduates of this year, for the position of seamstress at the Wittenberg School. After commencement she accepted a position as cook in the household of Bishop Darlington, at Harrisburg, and is doing very well. She is perfectly willing to work and is not a girl to be idle. Furthermore, she is an excellent seamstress and now as there appears to be an opportunity for a better place for her, I strongly recommend that she be given the position of seamstress at the above mentioned school.

Will you kindly advise me what, if any, action is taken in this matter?

Very respectfully,

Major 11th Cavalry,
Superintendent.

My dear Major Mercer: -

I would very much like to apply for seamstress of Wittenburg, Wisconsin. The place is now vacant and I know I can get along in being seamstress as I am fond of sewing.

It has been my fathers desire to get me in the service so now is my

chance,

It is near my home
and so it would be
very nice and I would
like to apply for it.

Yours

Adaline E Kingsley.
