The Honorable,

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Replying to your communication "M" of April 7th in regard to printing the report of C. E. Kelsey on the California Indians, I have to say that I am advised by the Superintendent of Industries that we can have revised proofs ready for your inspection not later than next Saturday, and can complete and mail the report within three days after the return of proofs from Washington, and will make up in pamphlet form, pages 5x8", unless otherwise directed.

If the above is satisfactory please advise me at once and we will continue work which I have already directed be commenced. I shall be very glad to do this work for you and trust we can make it satisfactory, but we are a little slow.

Very respectfully,

Major 11th Cavalry,

Superintendent.
