DEPARTMENT OF THE INTERIOR,
INDIAN INDUSTRIAL SCHOOL,
OFFICE OF SUPERINTENDENT.
CARLISLE, PA.

July 25, 1906.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Referring to your letter "Education 37076-1906", dated April 28th, and the notification that Mr. Benedict A. Cox of St. Paul has been designated to report for duty as mason August 1st, I think it the part of discretion to make inquiry if Mr. Cox understands that he must have the qualifications of brick layer, cement worker and plasterer as well as mason, because it would be a useless expense to him to report here unless he has these qualifications. I should be glad to have you look into the matter and if he has not been so notified, to see that he is informed of the requirements.

I should dislike very much to relieve the excellent man we have temporarily employed by having him displaced by a person who has not the necessary qualifications, thus causing unnecessary delay in the proper filling of the position. Mr. Lamason, who is temporarily employed, has all the qualifications of a good teacher in all four of the trades. He was formerly employed here as an instructor and gave satisfactory service. As he has taken the examination it is presumed he is on the eligible list.

Very respectfully,

W. A. Mercer
