Dear Sir:

Referring to your favor of the 13th inst. I enclose herewith Supt. Heald's reply.

I hope that you may be able to arrange for the admission of these Indian girls, one at Hampton and one at Carlisle as Mr. Heald suggests in his letter hereto attached.

I have the honor to remain,

Yours very truly,

Dear Sir:-

In reply to the letter of Acting  
Commissioner C. F. Larrabee I would  
say that I should not deem it advisable  
for the older Indian girl, Miss Eva May  
Simons, to attend the Carlisle school  
as she has already completed the  
academic work equivalent to that  
given in the Carlisle school. The  
girl is well qualified to enter the  
teacher's training course at Hampton  
and is very anxious to do so. Her  
sister, Ellen, is willing, however, to  
enter the Carlisle school, and if  
Mr. Larrabee prefers to have her  
enrolled in this school, it will  
be perfectly satisfactory. She is  
very anxious to receive a good course  
in manual training, and can  
of course get this at Carlisle as well  
as at Hampton. Thanking you for the  
attention you have given to this matter, I am  
Yours truly,  
A. A. Heald,

Acting Commissioner.

Hon. W. C. Lovering,

Sir:

The letter of Mr. A. A. Heald, relative to two Indian girls who desire to enter Hampton Institute as pupils, has been received.

Hampton Institute is not a government institution, but this Office has a contract with them for the education of a stipulated number of pupils. The management of that Institution generally make <sup>its</sup> ~~their~~ own selection of pupils to attend, and unless there are specific reasons why these girls should go to that school, this Office would prefer to consider the matter of their enrollment in the Carlisle Indian school which is fully under the control of this Office.

Will you please refer the matter again to Mr. Heald, in the light of this communication, and on receipt of your reply further steps will be taken in the matter.

Very respectfully,

*C. Harrabee*  
Acting Commissioner.
