The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Referring to my letter of July 11th in reference to filling the position of dining room matron at this school at \$600 per annum to succeed Miss Effie Moul who is to be transferred to Rapid City School, S. Dak., I have to request that you make an appointment from the Civil Service register of eligibles to fill the vacancy. This place is one that requires more than ordinary executive ability on the part of the matron for the proper conduct of the dining room work and detail. The woman appointed should be young, strong, and of course should be unmarried. Necessarily the nervous strain is at times quite heavy, especially when we have our full attendance here and the incumbent should not be of a nervous temperament. I trust that you will make the best selection possible for the position.

I had hoped to be able to recommend the transfer of a suitable woman from another place in the service, but find that this cannot be accomplished at the salary the position pays.

Very respectfully,

Major 11th Cavalry,
Superintendent.
