Honorable E. A. Hitchcock

Washington D. C.

My dear Sir.

As you are aware that on  
Feb 8th 1906 I was dismissed  
from the Carlisle Indian School  
for prejudicial to good discipline  
which I feel to be unjust and  
am not worthy of such. Under  
the circumstances you would  
do same as I. Most likely  
and as I have borne the heat  
of reputation all my life, and  
can prove same to you. I feel  
as it is a burden to me to be

Dismissed in such a way  
and I kindly ask you to  
have it removed from the  
Records at the office at Washburn  
I do not want to be a stumbling  
block for my boys in after  
years. I can not tell what  
they may want in life.

I can refer you to the best  
people of the town and  
County as I am known all  
through the County by my  
Occupation - I will inclose  
a few lines from Hon.  
Judge Sadler. of our Courts  
Can give best of reference  
in every respect - and ask  
you kindly to let me hear  
from you in regards the

matter

and see what you can  
do in it for me.

I beg to remain yours  
Respectfully
