Aug. 18, 1906.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Last winter we had some correspondence with you in reference to securing a position in the Indian service as harness or shoe-maker for one of our Pueblo Indian boys, John Archuleta. You wrote him personally, I believe, giving him some encouragement. This young man is still here at the school but is very anxious to secure a position and go out for himself. Both his age and his equipment and experience, I believe, warrant this, and if any vacancy offers I would respectfully recommend that the name of this young man be considered therefor. He is very anxious to make a change, if possible, by September 1st.

Very respectfully,

W. A. Mercer
Major 11th Cavalry,

Superintendent.
