C. F. Larrabee,

Acting Commissioner.

Dear Sir:-

Some time pasted, I think, I wrote to the department stating my wish, whether, I could be favored with any employment in the Indian Service in the line of my trade, Sho's and harness maker.

I think, if I am not mistaken, last year Major W. A. Percy, recommended me to the Indian Affairs, and was offered a place in the west, dont remember the name of the place I did accept the offer, but never heard any more about it.

I have asked, the Supt, of the if I could go out to any of the eastern Cities, to work in any of the shoe factories, but I was requested to write again to the Commissioner.

I am not particular of any special work, just an exception, that's office, but out doors work, I am ready at any time and in the line of my trade.

I once filled a vacancy at Fort Totten.

as a shoe maker. but resigne to come  
to Cortland. Now I am ready to go out  
again.

As I hope I will be favored  
with a favoring answering.

remain sincerely yours.

Faithful servant  
John Archuteta.
