Dear Sir:

One of my friends is the owner of a valuable illustrated publication, handsomely bound in three (3) volumes entitled "Indian Tribes of North America" by Thomas Z. Mc. Karsney & James Hill published by J. T. Bowen of Phila. in 1849 -

We thought it might be prized in the Library of the School at Carlisle Penn^a if there be no copy of it with their books - Will you kindly advise me if the gift would be acceptable, it seems an appropriate place, and how the books can be sent so as to secure them permanent deposit with the school?

Very truly yours

Thomas Z. Mc. Karsney
