I have the honor to forward herewith an application of Stacy Matlack (Indian), assistant disciplinarian at this school, for transfer to a position of assistant clerk in the Indian service. With the recommendation of the board of officers and the approval of the Commissioner of the Bureau of Indian Affairs, it has been recommended to allow the services of Mr. Matlack not only as assistant disciplinarian but, at times, as clerk in the storekeeper and also as clerk in the office. The latter work is more congenial to him and it is better fitted for him than the disciplinarian work. There being no place at this school to which he can be transferred, I enclose this volume to you for your consideration. I have known Mr. Matlack for many years and have seen him in a room, house and on various occasions. He has had considerable experience in office work and has been a faithful employee and a well respected and reliable member of your staff and has been a loyal, honest and conscientious person. I have known Mr. Matlack for many years and he is a well known disciplinarian and has been a faithful employee and a well respected and reliable member of your staff and has been a loyal, honest and conscientious person.

DEPARTMENT OF THE INTERIOR,
INDIAN INDUSTRIAL SCHOOL,
OFFICE OF SUPERINTENDENT.

CARLISLE, PA

Nov. 5, 1906.

The Honorable,

The Commissioner of Indian Affairs,

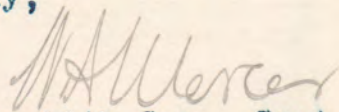

Washington, D. C.

Sir:

I have the honor to forward herewith an application of Stacy Matlack (Indian), assistant disciplinarian at this school, for transfer to a position of assistant clerk in the Indian service, with the recommendation that his request be granted.

It has been necessary to utilize the services of Mr. Matlack not only as assistant disciplinarian but, at times, assistant to the storekeeper and also as clerk in the office. The latter work is more congenial to him and in my opinion he is better fitted for that than for disciplinarian work. There being no place at this school to which he can be transferred, I should like very much to see him obtain a position, at a salary not less than his present one, as assistant clerk at some agency or some other school, as this transfer will enable me to obtain an assistant disciplinarian who can satisfactorily perform the duties here. I have known Mr. Matlack a number of years and have ever found him a loyal, honest and faithful employe, and as a copyist he is accurate and reliable. He has had considerable experience in office work not only here at times, but in the agency office at Uintah and Ouray.

Very respectfully,

Major 11th Cav., Supt.

WAM-S 1 incl.
