who have no other experience except our little normal work here at Carlisle. The grade here is not nearly sufficient to qualify any student to become a teacher. Those that we wish to fit for that duty we arrange for their attendance at the Normal School at Bloomsburg and West Chester. We have a few of our girls now attending these schools but they will not graduate until another year. As soon as they do I will send their names to your office, and they will give me doubt be glad to receive a position and I believe will give these schools but they will not graduate until another year. The Honorable,

I recommend for the position of Seamstress the following Carlisle graduates:

Mary Runnels, address, Keller, Wash. *Seam 420 Lemhi*
Clarinda Charles, address, Akron, N.Y.
Margaret Freemont, address, Carlisle School, Pa.
Eudocia Sedick, " " " "

For the position of Assistant Matron, I can recommend the following, also Carlisle graduates:

Ida Bruce, address, Hogansburg, N.Y.
Rebecca Knudsen, address, Niobrara, Neb. - *asst mat 400 W. Shoreline*
Emma Burrows, address, C/o Mr. Veitch, Phoenix, Ariz.
Josephine Ramone, address, Sacaton, Ariz., Pima Agency.
Stella Blythe, address, Hampton Indian School, graduate of Carlisle in 1905, and old enough to begin to do something for herself; I believe that she is simply making a necessary convenience of the Hampton School.
Betty Welch, a graduate of Carlisle, now at Chillocco Indian School, who is also old enough to be doing something for herself.
Anna Minthorn, address, 4042 Green St., Phila., Pa.
Christine Childs, address, C/o M.D. Gehris, Oak Lane, Pa.

Some of the above mentioned students may be married and not desire positions but they are capable of doing satisfactory work and in all probability will be glad to serve. We have two or three other girls who would make good assistant matrons at small schools,

also good seamstresses or cooks but we do not like to take them out of school now as they will graduate next Spring.

I do not like to recommend boys or girls for teaching who have no other experience except our little normal work here at Carlisle. The grade here is not nearly sufficient to qualify any student to become a teacher. Those that we wish to fit for that duty we arrange for their attendance at the Normal School at Bloomsburg and West Chester. We have a few of our girls now attending these schools but they will not graduate until another year. As soon as they do I will send their names to your office, and they will no doubt be glad to receive a position and, I believe, will give good satisfaction.

Very respectfully,
