The Honorable,

The Commissioner of Indian Affairs,

Washington, D.C.

Sir:-

I enclose herewith original copy of voucher, together with bill for Farrier's service rendered in the months of September, October and November as stated therein. This service was necessary owing to the fact that the Blacksmith was not sufficiently experienced in such work to be entrusted with the horses feet, and as the dates show that this voucher should have been made up in the 2nd Quarter of the current fiscal year, I beg to offer an explanation for this delinquency due to the fact that the bill was not received here until after the close of the 2nd Quarter. Authority is hereby requested for the payment of \$12.25 for the purpose specified herein, for which funds are available.

Very respectfully,

W.A. Mercer
Major 11th Cavalry,

Superintendent.
