The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I respectfully request that authority be granted for the settlement of an indebtedness amounting to \$35.00 incurred by me in the Second quarter, 1907, as represented by the voucher inclosed. I have sufficient funds on hand for payment from the appropriation: this bill was presented too late to be included in the accounts of the second quarter. According to reports received at this office, the boy whose names appears in the enclosed voucher was dangerously ill with pneumonia, and the expenditures charged herein were entirely necessary.

Very respectfully,
