DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

INDIAN INDUSTRIAL SCHOOL

CARLISLE, PA. March 19, 1907.

The Honorable,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I enclose herewith a special Estimate for funds as follows:

For transportation of eleven Hopi students with escort	796.90
For building of Cottage for the Physician,	1546.36
	<hr/>
	2343.26

This estimate would have been submitted sooner but that I have delayed waiting for reply to my letter of February 23d transmitting vouchers for the Hopi transportation expenses in compliance with instructions in office letter "Finance", January 31, 1907. Reply has not yet been received, but as it is very desirable that make these payments at once, I now submit estimate with request that the moneys called for be placed to my credit so as to be available for the current quarter.

The railroad ticket agent is calling for the money due him and it is liable to impair the credit of this school with the railroads if we fail to pay promptly for tickets furnished on our order. The contractors have already delivered the material for the physician's cottage and are asking for payment.
