Honorable Commissioners of Indian Affairs,
Washington, D. C.

Dear Sirs:-

By the enclosed letter, which we addressed to your agent at Sisseton, S. D., making enquiry as to whom we should address in regard to securing the Government's orders for Raffia Round Reeds, and other items used in Indian Schools, you will note he has referred us to you, and we will thank you to kindly advise us at what times you generally make purchases of these items, that we in turn may quote special prices, as we are anxious to secure at least a share of the trade for these goods.

Hoping you will kindly favor us with your early reply, we remain,

Yours very truly,

Chas. W. Jacob & Allison
