CARLISLE, PA April 11, 1907.

The Honorable,

The Commissioner of Indian Affairs,

Washington, D.C.

Sir:-

There is enclosed herewith copy of a letter dated March 30th from the Superintendent of the Indian School at Pipestone, Minnesota, in regard to the appointment of young Godfrey, one of our pupils, as disciplinarian at that school. It will be noted that the Superintendent said:-

"I am writing the Indian Office by this mail requesting his appointment";

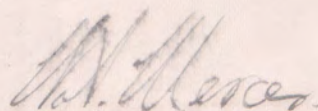

also that the place will become vacant on April 15th, at which time he would like to have Mr. Godfrey reach Pipestone, if possible.

Not having received any instructions from your Office in regard to this matter, and wishing to comply with the Superintendent's request as to Godfrey's reporting promptly on the 15th, I write to ask whether the appointment has been made, and whether this young man shall be sent.

Very respectfully,

Dear Sir:-

I am in receipt of your letter of the 23rd instant, recommending Mr. John Godfrey for the position of Disciplinarian at this school, and in reply thereto will say that we will be very glad to give Mr. Godfrey a trial in this position, and have no doubt from your recommendation of him that he will prove entirely satisfactory. I am writing the Indian Office by this mail requesting his appointment. The position pays \$720.00 per annum, and will become vacant April 15th, 1907. I would therefore like to have Mr. Godfrey reach here by that time or as soon thereafter as possible.

With best wishes, and thanking you very kindly for your assistance in this matter, I am,

Very respectfully,

(Signed) W.S. Campbell,

Superintendent.
