The Honorable,

The Commissioner of Indian Affairs,
Washington, D.C.

Sir:-

Referring to previous correspondence in regard to new photographs for use in connection with exhibit of Carlisle Indian School at Jamestown, there are transmitted under separate cover twelve photographs which have been taken this spring. I trust that the same will not be too late for use, - at any rate a portion of them.

These photographs were taken and made by our Indian boys in our new Art Studio, and they are, therefore, the product of pupils.

I also transmit some specimens of printing with the hope that you may be able to place and show some of them to advantage in connection with our exhibit at Jamestown.

Very respectfully,

W. A. Mercer
Major 11th Cavalry,

JRW/EFW

Superintendent.
