Carlisle, Pa., May 9, 1907.

The Honorable,
The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Answering your Office letter, "Education", dated the 7th inst., by the Chief Clerk, in regard to filling the positions of fireman at \$420 per annum each, vacated by Scott J. Porter and Philibert Lutz, I have to state that during the spring and summer months the work in the boiler house is very light and that it will not likely be necessary to fill either of these positions until about Sept. 1st. We have efficient boys who have had experience in firing and who will be able to render the needed assistance to the engineer and the one fireman still employed.

Very respectfully,

J. R. Wise

Acting Superintendent.
