June 1, 1907.

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I respectfully request that authority be granted for the settlement of an indebtedness amounting to \$10.00 incurred by me in the Third quarter, 1907, as represented by the voucher inclosed. I have sufficient funds on hand for payment from the appropriation :

Miscellaneous Receipts, Class iv, object,- setting a broken collar bone for a pupil of this school.

This bill was not presented in time to be included in the accounts for the Third Quarter. The girl named therein Tena Hood, is a pupil who was injured at her country home in the manner specified, and the services of a physician became necessary.

Very respectfully,

encl.

JFM
