Annual report.

MAR 17 1914

Mr. Oscar H. Lipps,

Supervisor in Charge, Carlisle School.

Sir:

In answer to your request of March 4, with reference to the Carlisle Annual Report for the year ended June 30, 1913, in which it is indicated that there may be 3,500 copies printed, you are advised the Office deems it unnecessary to have it printed at present. However, if there is any advertising material necessary for the proper conduct of the school, you may submit formal request to make such expenditures and the matter will receive consideration.

The page proofs of the report are herewith returned.

Respectfully,

(Signed) E. B. Meritt

March 4, 1914.

The Honorable
Commissioner of Indian Affairs,
Washington, D. C.

My dear Mr. Commissioner:

FILED BY C. P. F.

I have received the fine group picture which you mailed to me on the third instant, and I have ordered a half tone cut made from it for use in the current issue of THE RED MAN. I am sure it will be of great interest to our readers.

I am transmitting herewith page proofs of Superintendent Friedman's Annual Report of the Carlisle Indian School for the year ending June 30, 1913. I am also enclosing a copy of his Annual Report for the year ending June 30, 1912 to give you an idea of how the Report looks when completed.

The stock required in the printing of the Report has been purchased and Mr. Friedman appears quite anxious to have the printer go ahead and finish the work. His instructions which were given before I took charge were for 3500 copies of this Report. The cost of the stock including the cover amounts to approximately \$60.00.

Before taking any action in this matter I desire to have some instructions from your Office regarding it. I do not wish to be responsible for any of the statements made in

the Report, neither do I wish to be responsible for issuing 3500 copies of this Report on my own initiative. If the Office instructs me to have the Report printed, I should like for it to say how many copies it thinks advisable to print. Mr. Friedman informs me that the typewritten copy has already been before your Office and has been approved by it.

Please advise me at an early date regarding this matter, as the type is being held in the forms pending your decision.

Very truly yours,

Supervisor in Charge.
