My dear Mr. Lipps:

I am enclosing you herewith an advance statement for the Press of the Annual Report for the fiscal year 1913, of which I should like to have as soon as possible one thousand copies.

Please print this on document-size paper and on one side of the sheet, in order to expedite the work I wish that you would yourself read the proof, rather than waiting to send it here for my reading.

If you have the facilities so that you could bind this in pamphlet form, I would prefer it in that style.

3-PTH-13

Very truly yours,

(Signed) Cato Sells

Commissioner.
