Reports of changes.

November 8, 1909.

My dear Mr. Fry:-

I have looked up the monthly reports from which we recently compiled the official changes in the Indian Service for publication in the INDIAN CRAFTSMAN. Through an oversight these were not immediately returned. They are being sent you today, under separate cover.

I shall appreciate your kindness in sending the list of changes as you suggest, and feel confident that their publication will be of interest not only to the people in the field, but to many of our readers who have no connection whatever with the Indian Service.

Sincerely yours,

M. Friedman

Superintendent.
