

Dear Friend:

An examination of the citizenship essays submitted by those pupils who took part in the contest, proves you to be entitled to a prize, which is herewith enclosed.

To understand the full meaning of citizenship is very necessary for those who are to enjoy the privileges and to share the responsibilities thereof. It is sincerely hoped that you will persevere in your purpose to get an education and such practical training as may enable you to successfully take your place as an independent, productive citizen of this great nation which stands for all that is best and noblest in citizenship.

Your friend,

Commissioner.

I would appreciate it greatly if you would print thirty copies of letter No. 1; one hundred and twenty five copies of letter No. 2; eight hundred copies of letter No. 3, and fifteen hundred copies of form No. 4. These letters are for use in connection with the Citizenship Essay Contest.

This year I hope to be able to get the prizes into the field in time for distribution before the close of the present school term, and if you can make this work special, it will be of great assistance.

Very truly yours,

Supervisor of Schools.
