Whereas we, the delegates to the Middle Atlantic Student Conference from the Carlisle Indian School, assembled at Eagles Mere, Pennsylvania, for the betterment, elevating and promoting Christian fellowship of the Indian Race:

FILED BY C. P. F.

First

Be it resolved that, inasmuch as God has created in our lives the same vitality, faculty for reasoning, capacity for execution of His works as He created in His only begotten Son, Jesus, who died on the Cross that we may be saved, that we, in the prime of life, reverence and confess God before men.

Second

Be it resolved that we shall utilize conscientiously the lessons taught us while here in promoting the Association spirit, and be an example to our fellow students.

Third

Be it resolved that the opportunity of attending this Conference, made possible by the hearty cooperation and generosity of the Misses Richards of Carlisle, and such persons as are interested in the development of Christianity among the Indians, be held in the highest esteem of those who are here assembled.

Fourth

Be it resolved that in all earnestness and sincerity we appeal to our fellow students who have means to take advantage of such opportunities in attending a Conference of this kind, for it is at such a gathering that one receives the inspirations to determine to be the best possible worker.
