Enrollment of pupils.

FOR FILE

Mr. Moses Friedman,

Superintendent Carlisle Indian School,

Carlisle, Pa.

Sir:

This Office receives from time to time requests from Indian pupils for enrollment as pupils at your school, the requests indicating, usually, that the applicants are beyond the maximum age limit. The letters show almost invariably that they have been written either at your suggestion or after correspondence with you.

It seems to the Office that both time and effort can be saved if when you receive requests of this kind for enrollment that you first investigate the applicant and his application and forward it to the Office with recommendation. This will put the matter in the way of a speedy and satisfactory settlement.

Very respectfully,

(Signed) F. H. Abbott,

Assistant Commissioner.
