MEMORANDUM for Mr. Beatty:

Re: Your inquiry regarding lands at the former Carlisle Indian School, Pa.

There is attached information regarding the acquisition and disposal of land at the Carlisle Indian School.

(29+)

We received 29 $\frac{1}{2}$ acres from the War Department when the Carlisle Barracks were transferred to this Department for Indian school purposes, and we turned back in 1918 to the War Department approximately 317 acres, or 288 acres more than we received. We have made a thorough search of the records, and based on that search the land, as set out in the attached memorandum, was bought under the appropriation acts cited with the exception of the Sanno Tract of ^{4 $\frac{1}{2}$} acres, which was purchased from Charity Funds and later deeded to the United States.

It appears therefore that there is a basis for negotiations with the War Department since we turned back to them approximately 288 acres more than we received, in addition to the new buildings and improvements made during the time an Indian school was conducted at Carlisle.

Monahan tells me that during
the time when we operated Carlisle,
the Indian Service purchased with its
own funds several tracts of land for
farm and campus purposes. When
the school was closed, and the Army
resumed occupancy as an Army
post, it took over this I.S. land
without compensation to us. It now
appears that if we still hold ^{full} title ^{title}, we may be able to arrange
a trade with the Army - turning
the Carlisle land over to them &
receiving in return that portion of
the Wingate area now used by the

My dear Mr. Peel:

There are sent you herewith lists of the goods shipped from Carlisle on the last eight bills of lading issued. Reference to bill of lading 83661, it will be necessary for you to have two additional copies made of the book lists attached. This is also true of bills of lading 83662 and 84664.

The lists for bill of lading 83663 are completed.

Concerning bill of lading 83665, it will be necessary for you to look up your invoices on the following boxes of books and prepare a list of same to attach to the transfer voucher in addition to the list sent you herewith. Box No. S-18 was the box weighing 59 lbs. furnished by Rand, McNally Co., and the number appearing on the box, as near as could be made out, is 31451. Box No. S-19 was the box weighing 65 lbs. furnished by Gustave Albrecht, and the number appears as 26435, as near as could be made out. Box No. S-20 is the box weighing 62 lbs., and the number, which was indistinct, appeared to be 5323. It could not be ascertained from the outside of the box which Company furnished these goods.

Referring to bill of lading 83666, upon examination of Mr. Duran's packing lists it appears that he has not shown the quantity of overcoats in the 26 bundles shipped. In sending the transfer voucher to Superintendent Custer to sign, you should instruct him to insert the number of overcoats he receives. The box of books No. S-17 on this list is the box weighing 441 lbs. furnished by Gustave Albrecht and the number appears, as near as could be made out, 6454. Please go over your invoices and prepare a list of the

books contained in this box to accompany the list herewith.

Referring to bill of lading 83667, Mr. Duran's packing lists did not show the number of Indian clubs and wands packed in the two boxes, marked "Indian Clubs", and one box marked "Indian Clubs and Wands".

It will be necessary for you to request Superintendent Custer to report back to you the count on this so that the proper number may appear in your transfer voucher.

The lists for bill of lading 83668 are completed.

COMMISSIONER OF INDIAN AFFAIRS

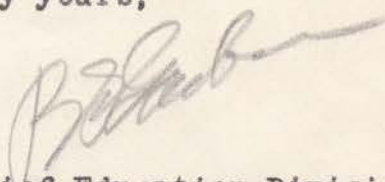

REFER IN REPLY TO THE FOLLOWING:

DEPARTMENT OF THE INTERIOR
OFFICE OF INDIAN AFFAIRS
WASHINGTON

Dear Mr. Peel:

Referring to your letter of August 21, inclosed herewith, I believe it would be best to have the box of instruments shipped to the Office here, rather than to San Xavier with the rest of the property. It will be necessary to rent a building at Tucson in which to store this property and I am afraid the implements may be stolen.

Very truly yours,

Chief Education Division.

Mr. C. V. Peel,
Traveling Auditor in Charge
Carlisle School.

Mr. B. S. Garber,

Dear Mr. Garber:

You remember ~~that~~ you requested that the surgical instruments at the hospital be boxed and shipped to the Indian Office for distribution. Since boxing the instruments you have ordered that all the supplies in the hospital be shipped to the new hospital at Arizona. It is presumed you will want these surgical instruments shipped there also..

Please advise me in regard to this matter at your earliest convenience.

Sincerely,
