The letter from your
Office indicating detail
to inspect Tamabae in
Bethlehem had been answered
by stating I thought
myself competent, having
been consulted
with Substance Department

For 20 years and handling lots of canned goods
have some experience, but giving the matter more
thought the responsibility in passing on 4000 doz
Cans is great and am in doubt that I am fully
competent to act on same; in addition to this
I am suffering for some time with stomach
trouble, severe at times, and if possible
would prefer to be excused from this detail
