My dear Mr. Francis:

The Office is in receipt of the report of the Board of Survey, convened at Carlisle School, April 23, 1918, by Inspector W. S. Coleman, which report was returned to you under date of May 21, 1918, for additional information.

Authority is hereby granted for you to drop from your account all the property listed under Class (f). Authority is also granted for you to sell either at public auction or through the medium of sealed bids, the property listed under Class (e). If the former method be employed, an upset price should be placed on the items prior to the sale and in cases of the latter method, sufficient advertisement should be made to insure competition. You should credit the Recap. Asset Account with the amount at which the sold items are carried in your property accounts, debiting Collection Vouchers with the amount received. In case the latter amount is less than the former, the difference will be debited to Contingences and Losses, if greater, the difference will be credited to Other Income. Proceeds of the sale should be accounted for in accordance with instructions in paragraph 20 of the new accounting manual. The items listed under Class (c) should be used in making repairs and dropped when so used.

The following entries will be necessary in clearing your records, in accordance with the recommendation of the Board of Survey, of the items destroyed:

Stores		Class (f) 252.96
U. S. Equipment		" (f) 788.69

Apparently a surcharge should be added to the above item of stores for Freight & Handling.

There are enclosed two copies of this letter to be attached to the register on which the property is dropped from your account.

Very truly yours,

(Signed) C. F. Hauke

CONDEMNATION OF PUBLIC PROPERTY.
(To be made in triplicate.)

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Carlisle Indian School

Apr. 23, 1918

(School or Agency.)

(Date.)

To Walter S. Coleman

Inspector

(Title of inspecting official.)

SIR:

It is requested that you appoint and convene a board of survey, composed of two or more disinterested and properly qualified employees of this jurisdiction, for the purpose of inspecting and recommending disposition of the public property inventoried herein, items 1 to 99, for which I am responsible, no article of which has ever previously been condemned and which I believe wholly unfit for further use in the Government service.

Superintendent and S. D. A.

Apr. 23, 1918

SIRS:

In accordance with above request you are hereby appointed to serve as a board of survey to inspect the public property listed herein, and recommend what you believe to be the best disposition thereof.

In recommending disposition you will divide the property into the following classes:

- (a) Such as is in sufficiently good condition to be continued in service.
- (b) Such as can be economically repaired and put to further use.
- (c) Such as can be used in making repairs.
- (d) Such as can be issued to able-bodied Indians in return for labor or to indigent Indians gratuitously.
- (e) Such as would bring a reasonable price if sold at public auction.
- (f) Such as is utterly worthless for any purpose and should be condemned to destruction.

When property is placed under class (e) and recommended for sale, a statement must be made of reasons why it is better to sell such property than to repair it, use it in making repairs, or issue it to Indians. When horses or mules are recommended for sale, statement must be made as to why, if unfit for Government use, it would not be better to destroy the animals instead of selling them to persons who might illtreat them.

Property placed under class (f) must be destroyed as completely as possible in my presence.

Respectfully,

Walter S. Coleman,

Inspector

(Title of inspecting official.)
