OFFICE OF INDIAN AFFAIRS,

WASHINGTON.

Subject:

Do not fill certain
vacancies.

December 27, 1907.

Supt. Indian School,

Carlisle, Penn.

Sir:

Referring to the vacancies of Fireman at \$420, assistant carpenter at \$720, and to the one that will occur in the position of assistant matron at \$480 per annum on January 2, 1908, you will please not fill either of these positions temporarily. It is also desired that you will go carefully over your list of positions and indicate to the Indian Office two or three that can be abolished with the least injury to the school. It may be necessary to utilize the funds thus saved for a specific purpose, and the Office wishes to be in a position to act promptly.

Very respectfully,

(Signed) C. F. Larrabee.

Acting Commissioner.
