DEPARTMENT OF THE INTERIOR,
INDIAN INDUSTRIAL SCHOOL,
OFFICE OF SUPERINTENDENT.

Subject:
Position of
Teacher of Me-
chanical Drawing.

Carlisle, Pa., Feb. 21, 1908.

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Replying to your Office letter (Education) dated the 20th instant in regard to filling the position of teacher of mechanical drawing at this school you are advised that in our opinion, as the school year is now so far advanced, it will hardly be advisable to fill this position during the present school year. However, the importance of instruction in mechanical drawing is fully appreciated and we feel that for another year arrangements should be made to have a course of instruction provided.

Very respectfully,

Chas H. Dickson

Supervisor in Charge.
