Subject: Appointment of business teacher.

Supt. Indian School,

Carlisle, Penn.

Sir:

In answer to your letter of November 28, regarding an appointment to the position of teacher, you are informed that the Civil Service Commission will be requested to hold another examination at their earliest convenience.

I have no authority under the rules to ask the Commission to arrange a noncompetitive examination. It will be an open competitive one and if you have someone in mind he will have to take his chances with the other applicants. Of course if his name is certified among the first, I shall be glad to consider his appointment.

Very respectfully,

R. G. Valentini

Commissioner.

After a conversation with Miss Schutt, I found that her whole training as teacher of stenography was obtained in the local high school in Carlisle. A course in this high school, I know, is not nearly as comprehensive as that in an up-to-date business college from which a person ought to graduate who takes this position.

I, therefore, respectfully recommend that another exam-
