Mr. Henry A. Larson,
Chief Special Officer.

My dear Mr. Larson:

Supervisor Lipps, at present in charge of the Carlisle Indian School, has suggested, as an aid in the suppression of the sale of liquor to the students, that Mr. Edward Corbett, who is employed as a laborer, be commissioned as a deputy. Mr. Lipps feels that this employee is best qualified to undertake this work and if you have no reason to the contrary the Office would like you to prepare a commission in Mr. Corbett's favor.

Your regular officers do not cover the Eastern territory so to have a deputy at that place would serve to lessen the cost and at the same time provide the necessary protection.

Very truly yours,

(Signed) E. B. Meritt
Assistant Commissioner.
