SUBJECT:

Record of Karl H.
Baker, former Printer.

Superintendent,
Indian Industrial School,
Carlisle, Pennsylvania.

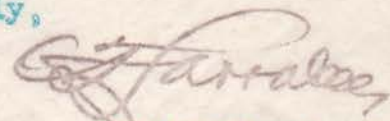

Sir :

Your letter of the 19th instant has been received, relative to the request of Karl H. Baker, former Printer at your school, for annual leave.

Mr. Baker has been informed that, in accordance with your suggestions, his request will not be granted.

Your further suggestion that, before he is reinstated, careful inquiry be made into his conduct while at Carlisle, is of such importance that the Office will take cognizance of it ; but in all cases of this kind it is preferable that an official record of the facts be made at the time that they are clear in the minds of those interested. You will therefore continue your investigation and submit the result in connection with what you have already forwarded in your report of the 19th instant.

Very respectfully,

Acting Commissioner.

SUBJECT :

Annual leave request-
ed, and Supt.'s re-
port.

Mr. Karl H. Baker,
413 Munroe Avenue,
Asbury Park, New Jersey.

Sir :

Your request of June 2nd for annual leave was submitted to the Superintendent of the Carlisle Indian School for his recommendation.

In his report, which has just been received, the Superintendent recommends that the leave be not granted, and bases his recommendation on conditions which he sets out at length.

Under these circumstances the Office does not feel justified in overruling his opinion, as he is on the grounds and has become thoroughly acquainted with the affairs of the school and the merits of the case.

Very respectfully,

C. L. ...
Acting Commissioner.

Annual leave for
Karl H. Baker, Printer.

OFFICE OF INDIAN AFFAIRS
RECEIVED
JUN 22 1908
FILE
41777

The Commissioner
of Indian Affairs,
Washington, D.C.

Sir:-

In reply to Office letter, "Education 38758/08,"
(F.I.P.) dated June 11, 1908, concerning the annual leave
earned under the rules by Karl H. Baker, formerly printer at
this school, I respectfully advise that I do not think con-
ditions warrant granting such leave.

There has been some little delay in answering this letter
consequent on the gathering of certain information concerning
Mr. Baker's accounts.

After I had taken charge, it was brought to my notice
that Mr. Baker did not account for certain funds which he
received, and upon further inquiry, it was deemed advisable
to look the matter up. A circular letter was accordingly
sent to as many of the firms carrying advertising matter in the
pages of our Arrow as we could find. This was done, firstly,
to clear our records and put the paper on a firm basis, and,
secondly, to ascertain whether, or no, these funds came into
Mr. Baker's possession. I am sending you, under this cover,

E

29
38758-08-163

a number of receipts and statements which were received in answer to this letter. I am also enclosing a statement made by Mr. S.J.Nori, clerk at this school, concerning the account of Mr. Baker, from all of which, it will be seen that Mr. Baker did not take up all the funds which he received. I had intended sending this information in sooner, but it has taken some time to collect it.

Information has also come to hand to the effect that Mr. Baker is indebted to a firm in Carlisle named Kronenberg to the extent of \$25.00, \$23.00 of which is for clothing and \$2.00 for the rental of clothing. This is shown on the statement of Kronenberg & Sons, which is found under this cover.

Mr. Baker also left without paying his board bill in the school club, which amounts to \$8.38; he is further indebted to one of our employees here on the grounds, Mr. John L. Walters, to the extent of \$15.00, and to another former employee, Mr. William Stimpel, for \$3.00.

I am bringing these things before the Department because I believe that other schools should be protected against the possible employment of a man such as he has proven to be.

I do not know that any action can be taken against Mr. Baker, or that any explanation can be demanded of him, but as

-3- Commissioner of Indian Affairs.

far as we have been able to gather, these are the facts.

In view of the conditions, I do not feel justified in recommending that he be granted annual leave, and I further respectfully recommend that before he is allowed to enter another school, careful inquiry be made concerning this matter.

Very respectfully,

Superintendent.

Mr. M. Friedman, Superintendent

Carlisle Indian School, Pa.

JUN 16 1908

Sir:-

In response to inquiries sent out to various advertisers in The Arrow, the attached correspondence with receipts in most all cases were received.

The money derived from the subscriptions, sales of post cards, advertisements in the columns of "The Arrow" were formerly accounted for by the person in charge of the printing office and at the end of each month the balance on hand was turned over to either Mr. Will H. Miller and Mr. Frank Hudson, Financial clerks.

On Dec. 10, 1906, as per special order No. 6, dated Dec. 7, 1906, (signed by W. A. Mercer, Supt.) Mr. Karl H. Baker, printer was designated as Treasurer of "The Arrow" fund and the balance of \$203.21 was turned over to him by Mr. Frank Hudson then financial clerk. All receipts were accounted for by him and disbursed for special articles, stock, etc., that may be required in the printing department.

At the suggestion of the Department the balance in the hands of Mr. Baker of the above fund amounting to \$184.12 was taken up on government accounts as Miscellaneous Receipts Class IV. (April 2, 1907)

From the records of the cash book of the printing office, it is noted that since Oct. 1906, funds derived from advertisement insertions in "The Arrow" have not been accounted for. The only funds received by the clerk in the accounts division of government funds were for subscriptions, renewals, sales of cards, job work, which have been deposited with the Asst. Treasurer, U.S., under the above named caption.

No response was received from Spaulding Bros. the largest advertisers in the paper.

Taking the whole matter as a rough estimate according to the receipts and letters, the amount involved would amount to a little over \$100.00, and if all receipts were shown would probably amount to more than the above amount named.

"All advertisements paid up to Dec.31,1907. No money to be received for subs.or otherwise. All money has been turned over to Major Mercer, Dec.31, 1907"

This may be misleading insomuch as moneys were received from Mr. Baker, by me, of subscriptions, renewals, job work, sales of cards and which were deposited with the Asst.Treas., U.S., N.Y. as Miscellaneous Receipts Class IV. **but no money for advertisements as above enumerated were received by me from Mr. Baker,printer.**

Dear Sir:-

In further reply to your inquiry of recent date, will say that we have looked the matter up further and find an expense in our sundry account, from Sept., 1905, to about Dec. 1907, averaging about 70 cents per month. We cannot give you the exact rate as the space used varied as we changed the matter, and collections were not at all regular. The advertisement was so small and of so little worth to us that we never paid any particular attention to it, except that it would help the paper and benefit us in that manner.

Mr. Stauffer spoke to us about the matter and we promised to get all the data possible for him. Mr. Baker also owes us an account as follows:-

Mar. 29, 1907 - Clothing	- \$23.00	
Feb. 23, 1908 - Rental	- <u>2.00</u>	\$25.00

We trust the above information will be of use to you and if you can assist us in any way to collect the above, we will be under many obligations.

June 11, 1908.

SUBJECT:

Annual leave for
Mr. Baker, Printer.

Superintendent,
Indian Industrial School,
Carlisle, Pennsylvania.

Sir :

Mr. Karl H. Baker, formerly Printer at your school, who was relieved on April 24th, asks whether he could not have been allowed annual leave earned, under the rules, during his period of service.

The only way this could be done would be to submit a new date for his relief, and as Mr. Miller did not enter on duty until May 1st it would be permissible, unless you employed a temporary printer from April 25th to 30th inclusive, using the Printer's salary in payment of such service, to submit Mr. Baker's relief as of April 30th. He could then be allowed the period April 25th to 30th as annual leave, and be paid therefor.

Please advise whether or not conditions will justify such action, and if it is practicable to accommodate Mr. Baker to that extent he will be so advised.

Very respectfully,

J. M. Ganser

Josiah Dortch Esq.,
Washington, D.C.

Dear Mr. Dortch:-

While in Washington before I resigned from the service we were talking about some leave of absence that was due me at Carlisle and you kindly offered to do what you could to secure same for me.

It seems to me that the pro rata was justly due me and if I can furnish you any data I would be happy

to do so. I sincerely hope that
you may be successful.

I wish to thank you for the
last paragraph on the Com-
missioner's letter accepting my
resignation and to assure you
that I am looking forward
with much pleasure to a re-
entrance into the service in
the fall.

With assurances of my ap-
preciation of your efforts I am

Respectfully

Karl H. Baker

Would be pleased to hear from you.
