The Commissioner

of Indian Affairs,

Washington, D.C.

Sir:-

In answer to your Office letter Education 54670/08, WAM, dated August 12, 1908, concerning the request from Miss Frances R. Scales, teacher at this school, for exchange of positions with Miss Katherine C. Bingley, teacher at the Phoenix School, Arizona, I respectfully state that in view of your statement concerning Miss Bingley's record at Phoenix, I believe it would be in the interest of the Service and of this school, to transfer the latter here, provided she is still desirous of coming.

Some time ago, I had a letter from Superintendent Goodman in which he informed me that Miss Bingley's record at his school was good. In view of Miss Scales' desire for transfer, and the consequent effect of this on her work, and because of the good record of Miss Bingley, I respectfully recommend that the exchange in positions be consummated.

Very respectfully,

W. Goodman
Superintendent.

Sir:

Your letter of August 10, saying that you forward a letter from Miss Frances R. Scales, one of your teachers, requesting transfer to the Phoenix School, Arizona, is received.

Miss Scales' letter is not merely an application for transfer to Phoenix, but is a request to exchange positions with Miss Katherine C. Bingley, one of the teachers there.

The Office is aware from previous correspondence from you that you would like to have Miss Scales transferred, but before acting on her request to exchange with Miss Bingley please give the Office your recommendation. It will be stated that Miss Bingley has a very good record and will in all probability be able to meet the requirements of the Service at Carlisle.

Very respectfully,
