Sir:

In view of the fact that there is a saving of over \$700 on authority 78290-1912, as noted in Office letter of June 23, 1913, and on various authorities reported June 14, 1913, I respectfully request that the following authorities be modified so that payment can be made from the support fund. These were authorized payable from "Indian Moneys, Proceeds of Labor, Carlisle School," due to the fact that authorities covering such amounts originally granted were hypothecated. As there seems to be a saving, the following are requested for modification, payable from Indian School, Carlisle, Pa., 1913.

If there are not sufficient funds according to your records of the appropriation "Indian School, Carlisle, Pa., 1913," for these modifications, the savings at the close of the fiscal year June 30, 1913, will be sufficient to cover

all these, and more, payable from this fund.

I respectfully request that these modifications be made so as to apply them on vouchers, previous to submitting them for examination by your Office.
