The Honorable
Commissioner of Indian Affairs,
Washington, D. C.

Sir:

I have the honor to refer to my request of July 11, 1913 for the authority of \$50.00 under appropriation, "Purchase and transportation Indian Supplies, 1914," for general school purposes, in accordance with circular dated February 20, 1913, Education 47776, 4-16-13. This is urgently needed to cover emergency purchases of supplies which are required for immediate delivery by expressage, in order to make necessary repairs and alterations to breakage of industrial machinery, etc., which occurs from time to time. The express companies desire settlement of these bills immediately, and it is necessary to have authority as soon as possible.

Very respectfully,

M. Friedman

Superintendent.
