Mr. Moses Friedman,

Superintendent Carlisle Indian School,
Carlisle, Pennsylvania.

Sir:

The Office is in receipt of your report of expenditures under Section 195a of the Regulations of 1904 covering the month of September.

Your attention is directed to Circular No. 476, dated October 5, 1910, page 3, second paragraph, which reads in part:

"In no instance shall the amounts so expended, plus the authorities granted you out of any fund, exceed your apportionment of that fund."

It has been necessary to take from the reserve of the appropriation "Telegraphing, Transportation, Etc., Indian Supplies, 1911" \$60.26 in order to meet the expenditures made by you from this fund in excess of the amount apportioned you by the Board of Estimate under apportionment. You are requested to make an explanation to the Office as to your apparent disregard of Circular No. 476, above quoted, and if it is thought necessary to make an additional apportionment for you from this fund, please make the regular request, that same can be approved or disapproved, as is thought proper.

Very respectfully,

(Signed) J. Y. Hamilton.

Acting Chief Finance Division.
